Bordeaux 2005 order-form

2005 is an extraordinary vintage in terms of its quality and the unprecedented demand it has generated for the wines of the region. We are pleased to have secured good allocations for many of the finest and best value wines for our clients.

Ordering

Please fax or post your order as soon as possible as the wines will no doubt run out very quickly this year. Our website (www.nickollsandperks.co.uk) offers a detailed appraisal of the vintage, with individual tasting notes for each wine as well as on-line ordering. We will be pleased to post the details if you prefer a hard copy, call on 01384- 394518 or email us sales@nickollsandperks.co.uk.

Prices and Estimated Prices

The Chateaux release their prices over several weeks during the Spring and early summer after the vintage. Where the price has not been launched we have given the wines an estimated, indicated (+), based on last year's price and any market forces which may affect demand. When the wine has been officially released we will contact you to confirm your interest.

Wines are offered as lying In Bond Octavian Wiltshire, inclusive of shipping to the UK, but subject to VAT and duty (£15.50 per case 12/75cl or equivalent). Storage facilities are available In Bond at Octavian or Duty Paid in our 16th century
